

# Our commitment

As the Bishop of Maitland-Newcastle I expect us all to be attentive to the safety, welfare and wellbeing of every child and vulnerable person in everything we do in the name of the Church. Each one of us is responsible to ensure we are aware of the signs of abuse, that we know how to respond to a disclosure of abuse and we know how to report our concerns. Most importantly, I require every worker in the Diocese to be prepared, should the situation ever arise, to call out the unsafe or abusive behaviour of colleagues and workmates. The conduct we walk past is the conduct we have condoned.

The Diocese is committed to:

- ▶ Fostering communities of safeguarding, including open and respectful communication about issues of safeguarding with individuals, families and groups
- ▶ Upholding the dignity and rights of all children and vulnerable persons and empowering them to have their voices heard
- ▶ Training all workers in safeguarding knowledge and skills including indicators of abuse, supporting people to disclose abuse and reporting abuse
- ▶ Working closely with statutory authorities to report alleged abuse and support them to investigate those allegations
- ▶ Developing our risk assessment and management systems for all diocesan activities and personnel
- ▶ Developing the breadth and depth of our auditing and compliance regimes
- ▶ Implementing and maintaining compliance with the NSW Child Safe Standards and the National Catholic Safeguarding Standards.

Pope Francis has called all of us in the Catholic Church "to assume responsibility for preventing cases of abuse and to work for justice and for healing". I now amplify and specify the Pope's message. The Diocese of Maitland-Newcastle takes a zero-tolerance approach to abuse. Every one of us must each day commit ourselves individually and collectively to safeguard each child and every vulnerable person to whom we minister and interact with.

## SAFEGUARDING IN OUR SCHOOLS

The Diocese of Maitland-Newcastle represents the Catholic Church in a region extending from Lake Macquarie to Taree and as far inland as Merriwa and Murrurundi. The Diocese supports and oversees almost 60 schools employing thousands of staff, engaging with many thousands of volunteers and educating over 20,000 students.

The schools of Maitland-Newcastle strive to be supportive environments where every student has an opportunity to grow academically, spiritually, physically and emotionally. Catholic schools are committed to being safe places for all children and vulnerable persons. Staff and volunteers undergo the appropriate screening checks, safeguarding training, other induction processes and ongoing formation and training to maximise child safe practices across our schools.

Diocesan schools display safeguarding material, including poster sized commitment statements (set out over the page), child-friendly safeguarding information, contact details for reporting abuse as well as brochures providing specific safeguarding information and guidance.

Many schools in Maitland-Newcastle have one or more dedicated '*promoters of safeguarding*' who support the local school community to address the ongoing issues of compliance to the safeguarding standards set by both Church and the NSW government.

### The Office of Safeguarding supports diocesan schools:

- ▶ with the provision of an intake service that analyses concerns for children and vulnerable persons, providing advice and support to school staff and parents, ensuring statutory reporting obligations are met and ensuring appropriate follow up to complaints, when warranted
- ▶ with the provision of direct support and advice to school personnel and the provision of templates, tools and other resources for schools to use to promote compliance with the National Catholic Safeguarding Standards and NSW Child Safe Standards
- ▶ by coordinating the diocesan wide *Promoters of Safeguarding* Network for school promoters
- ▶ by providing both face-to-face and online safeguarding training for all school personnel
- ▶ by conducting investigations of school staff who are alleged to have abused a child or vulnerable person, or breached their professional standards
- ▶ by undertaking risk assessments and helping develop risk management plans for individual students or other members of the school community assessed as posing a *real and appreciable risk* to children or vulnerable persons in the school.
